

Title	Social Worker
Job Type	1.0 FTE Permanent
# of Positions	1
Hours of work	8:30 – 4:30 (occasional evenings)
Date Posted	October 27, 2023
Deadline	Open until filled.

Position Summary: The Nipigon District Family Health Team (NDFHT) is seeking a Social Worker who is a dynamic team player to join an innovative, community-based primary care team. Our team currently provides comprehensive, collaborative primary care to the Nipigon district catchment area, serving approximately 4,500 patients through a strong interdisciplinary team comprised of a Social Worker, 3 Nurses, a Mental Health Support Worker, a Dietitian and an Addictions Care Program Coordinator. Experience the benefits of working in a small, rural FHT where no day is the same. Affordable living and nature at your front door with a HOOPP pension, health benefits and paid vacations.

- Job Responsibilities:**
- Provide a broad range of clinical services including client-centered assessment, intervention techniques/strategies, and therapy within an integrated family health team
 - The social worker will provide services and support autonomously and collaboratively, utilizing consultation, supervision and team support in an ethical and professional manner
 - Work collaboratively with NDFHT staff to provide comprehensive care plans for our patients
 - Be involved in health promotion and education for our patients and team members
 - Facilitate group education classes
 - Support other NDFHT Quality Improvement initiatives and programs
 - Be a resource to family physicians, allied health professionals, and medical students/residents

- Key Qualifications:**
- A Master of Social Work, or a Bachelor of Social Work with experience in counseling in community health care and mental health, or a Master's Degree in Clinical Psychology from an accredited University
 - Membership with the Ontario Association of Social Workers and Social Service Workers and proof of liability insurance
 - Clinical experience providing counseling services to individuals, couples and groups of all ages is an asset
 - Ability to work independently and collaboratively within an interdisciplinary health care team
 - Proficiency with an EMR system for charting (EMR PS Suites experience is an asset)
 - Ability to prioritize, manage time effectively and be flexible in a very active work environment
 - Excellent oral and written communication skills
 - A valid driver's license and a reliable vehicle
 - A current certificate of satisfactory conduct from the Ontario Provincial Police

Please forward your cover letter & resume to Melissa Harvey, Executive Director of the NDFHT, at mharvey@ndfht.ca by **November 10 at 4:30 pm.**

We thank all applicants; however only those selected for an interview will be contacted. The NDFHT is an equal opportunity employer. We welcome and encourage applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.
