

Title	Registered Nurse (RN)
Job Type	1.0 FTE contract beginning July 15, 2024, up to 18 months.
# of Positions	1
Hours of work	8:30 – 4:30 (occasional evenings), Monday to Friday
Date Posted	April 12 th , 2024
Deadline	Open until position filled.

Position Summary: The Nipigon District Family Health Team (NDFHT) is seeking a Registered Nurse (RN) who is a dynamic team player to join an innovative, community-based primary care team. Our team currently provides comprehensive, collaborative primary care to the Nipigon district catchment area, serving approximately 4,500 patients through a strong interdisciplinary team comprised of 3 Nurses, a Registered Psychotherapist, a Mental Health Support Worker, a Registered Dietitian and an Addictions Program Care Coordinator. Experience the benefits of working in a small, rural FHT where no day is the same.

Job Responsibilities:

- Provide patient-oriented, goal directed nursing care in accordance with the standards of care from the College of Nurses of Ontario
- Use knowledge, skill and judgment to assess patient's health needs, identify resources to maximize patients' health and provide health promotion, disease management and prevention strategies to patients
- Assist patients with chronic disease management and teach patients self management strategies
- Perform direct clinical care to patients, including procedures such as: immunizations, suture removal, spirometry testing, wound care, ear syringing, hypertension monitoring, preventative care, Pap tests, etc.
- Develop, implement and revise customized care plans to meet individual needs in collaboration with the patient, their family, family physician, and other health care practitioners
- Maintain accurate, concise and confidential EMR documentation
- Facilitate group education classes
- Be a resource to other NDFHT team members, family physicians, allied health professionals, and medical students/residents

Key Qualifications:

- Baccalaureate of Science in Nursing from a recognized university
- Member in good standing with the College of Nurses of Ontario and proof of liability insurance
- One year of experience in community or primary care setting an asset
- Certified Respiratory Educator (CRE) is an asset
- Experience with wound care and/or foot care, INR management and performing Pap tests is an asset
- Experience in group facilitation and individual counselling is an asset
- Ability to work independently and collaboratively within an interdisciplinary health care team
- Proficiency with an EMR system for charting (EMR PS Suites experience is an asset)
- Ability to prioritize, manage time effectively and be flexible in a very active work environment

Please forward your cover letter & resume to Melissa Harvey, Executive Director of the NDFHT, at mharvey@ndfht.ca.

We thank all applicants; however, only those selected for an interview will be contacted. The NDFHT is an equal opportunity employer. We welcome and encourage applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.
