NIPIGON DISTRICT FAMILY HEALTH TEAM

We're Hiring!

JOIN OUR TEAM

DATA & RESEARCH MANAGER

FULL-TIME PERMANENT

The Nipigon District, North Shore, and Greenstone Family Health Teams are seeking a Data & Research Manager to lead data analysis, reporting, program evaluation, and research initiatives across our organizations.

WHAT YOU'LL DO

- Collect and analyze clinical and organizational data
- Develope reports and dashboards
- Evaluate programs and outcomes
- Provide insights that improve patient care and organizational performance
- Support research projects, strategic planning, grant applications, and partnerships with healthcare and academic organizations.

WHAT YOU BRING

- Degree in Health Sciences, Public Health, Epidemiology, Statistics, Health Informatics, Research, or a related field (Master's degree considered an asset)
- Experience in data analysis, program evaluation, research, and reporting
- Strong understanding of healthcare data, performance measurement, and quality improvement
- Proficiency with data analysis and reporting tools
- Knowledge of PHIPA and privacy requirements
- Excellent communication, analytical, and organizational skills

POSITION DETAILS

Position: Data & Research Manager

Status: Full-Time Permanent

Hours: Monday to Friday
8:30 a.m. - 4:30 p.m.

Location: Hybrid: Remote and in the Thunder Bay District Area

WHAT WE OFFER

- Employer-paid health and dental benefits
- HOOPP Pension plan participation
- Competitive vacation and paid time-off benefits
- Flexible scheduling to support work-life balance
- Supportive, collaborative team environment
